LF HK Medicast is a podcast of the Faculty of Medicine in Hradec Kralove. Guests are academics, students, alumni and applicants who have something to say on current as well as timeless medical topics. Moderator Pavla Sedlářová guides through the world of medicine, science, studies and everything related to them.

We will be happy to select the guests and topics together with you, send us your tips via [Forms](#) or email [medicast@lfhk.cuni.cz](mailto:medicast@lfhk.cuni.cz).

You can also watch all episodes on [Spotify](#) or [Google Podcasts](#) .
