We have prepared some printed items for all students, staff, alumni and supporters of our faculty so that they can always have a piece of their alma mater on hand.

## **New Limited Edition Faculty Merch**

This year, our faculty is turning 80 — and that calls for something special! To celebrate, we've got a limited edition anniversary T-shirt that's the perfect way to remember this milestone year.

The new navy blue shirts go on sale from April 8, 2025, and you can grab yours every weekday from 8:00 to 11:00 and 12:00 to 15:00 from Mrs. Radka Vlachová at the Dean's Office (room 222). But heads up — only while supplies last!

The shirts come in men's and women's sizes (S–XL) and feature a clean design: an EKG line with a Hradec twist, the faculty seal, the phrase “Děláme medicínu v Hradci” on the back, and “od roku 1945” on the sleeve. All that for just 400 CZK — a real keepsake from an unforgettable year.

## Permanent Faculty Merch

For school, sports, representation or just in their free time. You can wear our faculty sweatshirt anytime. It has a round emblem of the Faculty of Medicine in Hradec Králové on the chest and the inscription above the hem on the back.

T-shirts are available either pure white with a small faculty logo on the chest.

Are you planning to go to a festive event? With our jacket badges you will certainly not be embarrassed! You can choose from silver or bronze.

If you like tea or coffee, you will love the beautiful mugs with the logo, again in several colours.
