Acta Medica (Hradec Králové)

Journal of Faculty of Medicine in Hradec Králové

Acta Medica (Hradec Králové) is a multidisciplinary, open access medical journal published by the Faculty of Medicine in Hradec Králové and Karolinum Press, the publishing house of Charles University. The journal is peer-reviewed and published quarterly in both paper and electronic form. The language of Acta Medica is English. Offerings include review articles, original articles, brief communications, case reports, announcements and notices. The journal was founded in 1958 under the title "A Collection of Scientific Works of the Charles University Faculty of Medicine in Hradec Kralove."

The journal is indexed in Index medicus, MEDLINE, Scopus, EBSCO, DOAJ and Chemical Abstracts.

ISSN (print) 1211-4286

ISSN (online) 1805-9694

SCAN

The SCAN journal is a joint journal of the Faculty of Medicine and the University Hospital of HK, published since 1991. Currently it is published 4 times a year, always with a circulation of 600 copies. The editor-in-chief of the journal is prof. MUDr. Vladimír Maisnar, Ph.D., and the executive editor of the journal is Mgr. Iveta Juranová. The journal is primarily intended for all employees of the Faculty of Medicine and the Faculty of Medicine, but also for students and the general public as a source of information about the events in both institutions and a chronicle of their activities.
