

STUDY CURRICULUM

(RECCOMENDED STUDY PLAN)

For academic year

2025/2026

EXPLANATION TO THE ABBREVIATIONS USED IN THE STUDY CURRICULUM

Credit points – number of obtained credit points after completion of particular subject

L – number of hours of **lectures** per semester

P – number of hours of **practical classes** per semester

E - number of hours of **e-learning** per semester

S – number of hours of **seminars** per semester

C – credit – confirms completion of each semester in a particular subject; in some subjects needn't be followed by final examination

Ex – **final examination**

STEX – **state examination**

EVALUATION

C – credited (credit obtained)

K – not credited

FINAL EXAMINATION GRADING SCALE:

1 = excellent

2 = very good

3 = good

4 = fail

For optimal passing through the study, it is recommended to obtain the normal number of credit points. That means:

1st year

Total number of credit points for the compulsory subjects: 59

Normal number of credit points **obtained in the 1st year of study is 60**

Minimum number of credit points required for enrolment **into further segment** of study: **42**

2nd year

Total number of credit points for the compulsory subjects: 59

Normal number of credit points **obtained in the 1st and 2nd year of study is 120**

Minimum number of credit points required for enrolment **into further segment** of study: **110**

3rd year

Total number of credit points for the compulsory subjects: 55

Normal number of credit points **obtained in the 1st - 3rd year of study is 180**

Minimum number of credit points required for enrolment **into further segment** of study: **170**

4th year

Total number of credit points for the compulsory subjects: 53

Normal number of credit points **obtained in the 1st - 4th year of study is 240**

Minimum number of credit points required for enrolment **into further segment** of study: **230**

5th year

Total number of credit points for the compulsory subjects: 56

Normal number of credit points **obtained in the 1st - 5th year of study is 300**

Minimum number of credit points required for enrolment **into further segment** of study: **290**

6th year - State Examination Requirements

1. Completed prestate practise for the respective program
2. Before the last state exam student needs to have all 1. – 5. Year study requirements completed
 - at least 360 credit points in the system
 - all compulsory subjects (all prestate practises included)
 - at least 18 credit points from electives
3. Once all above mentioned requirements are met, student will be asked to register the last state exam in SIS by him or herself.
