
Incoming academics

Information for Incoming academics

In case you are interested to visit particular workplace/department/clinic in frame of Erasmus+ teaching/training mobility or for scientific exchange visit, please, contact head of the department/clinic together with head of Grants and International dpt. via e-mail. Specify purpose and proposed timing of your visit and enclose CV and/or list of publications.

In case you have approval of your visit directly from head of the department/clinic, contact Grants and International dpt. to discuss administrative issues.
